

Everyone

Everyone laughs
Everyone cries
Everyone giggles
Everyone sighs
No matter our outsides
Our father or mother
We really and truly
Belong to each other

Everyone hurts
Everyone grins
Everyone loses
Everyone wins
Fat, tall, thin, short
In one shade or another
We really and truly
Belong to each other

Everyone thinks
Everyone knows
Everyone touches
Everyone grows
In each shining face
Is a sister or brother
We really
And truly
Belong to each other
